

Introduction

Welcome to Teelie Turner's Magical Fairy Book Club! We're so happy you're here! This book is part of a very special world where fairies are real, magic is everywhere, and adventures can take you anywhere—even back in time!

In this story, you'll meet Patriotic Patsy, a fairy who loves the 4th of July more than anyone. With her sparkly red, white, and blue wings, she's about to take two kids—Timmy and Layla—on a wild ride back to 1775 and 1776! They'll see what America was like before it was free, meet real heroes, and find out what Independence Day truly means. And guess what?

There's a surprise waiting in a magical Teelie's Fairy Garden. You'll discover a touch of fairy garden magic that might just reach your world too...

So get cozy, turn the page, and fly through time with Patriotic Patsy!
